The Mt. Marty

1942

The seniors of 1942 bear a strange and terrifying responsibility: they enter into a world torn by the greatest war civilization has ever known, a world in which new values and changed ideas make life as we have known it uncertain or impossible.

We of the Mount Marty Staff are not unaware of this condition--our cover makes some attempt to show the impact of the war on the lives of the seniors--but we have felt the need in such trying times of giving this year's graduating class something solid to hold to in a changing world. Within the pages of this book you will find the familiar faces of your classmates, your teachers as they appear in the ordinary surroundings of their classrooms, the groups in which you have worked and played, the athletic teams and their records, the thousand and one trivia which make up life at Rosedale.

It is our hope that this familiar, everyday presentation of familiar, everyday things will be an anchor which will hold you to remembrances of life as you once knew it, even in a world changed past recognition.

In that hope and to that purpose we dedicate this 1942 Mount Marty.

The student council, under the sponsorship of Miss Ruth Vawter, consists of thirty members, one representative from each home room and the six class presidents. The officers for the first semester were Tommy Winslow, president; Otto Henderson, vice-president; David Larson, secretary. For the second semester they were Tommy Winslow, president; David Larson, vice-president; Margaret Emick, secretary. During the year the council sponsors the class elections, an assembly program, the Christmas tree and Christmas baskets, Candy day, and assists with the lunch rooms duties. Each six weeks the council awards the scholarship banners to the senior high room and the junior high room having the highest scholastic averages. The junior high banner has changed hands this year, but the senior high banner has remained in possession of the junior girls in 202. This year the council sent the following members to the Central States of Student Councils convention at Wichita; Tommy Winslow, Otto Henderson, and Bobby Puckett.

Seniors

THE SENIOR CLASS of 1942 selected the following officers to direct their affairs during their final year: President, Hubert Downs; Vice-President, Julian Douthat; Secretary, Virginia Gillum; and Treasurer, Raymond Mealman. Class sponsors are Miss Mary Ellis Graham, Miss Olga Alber, Mr. Roy Terflinger, and Mr. Roscoe Brown.

The annual class play,"Lavender and Old Lace" was presented on December 5. Leads were played by Betty Lou Denny and Julian Douthat who were supported by an able cast.

The seniors ended their career at Rosedale with the Commencement exercises on May 25.

One of the unusual activities of the class this year was the collection of paper which they sold to get money to finance a senior dance.

Two boys, Wayne Tice and Kenneth Ehret, were honored by being selected to take the preliminary examinations for Summerfield scholarships at Lawrence March 14.

The outbreak of the war, calling as it did for enlistments and defense work, caused several of the senior boys to drop school. In addition several others rearranged their class schedules to accommodate defense training of various kinds.

Home Rooms

The Junior Class has some of the school's best performers now and should develop into a real leader in its senior year. The class officers are all boys: Billy Gilles, president;Jack Munze, vice-president;George Todd, treasurer; Nelson Dickerson, secretary. Flores is the school track star. The Junior-Senior Prom, given by the juniors for the seniors, was held at Quivera with Les Copley's orchestra. It was a well-planned and enjoyable affair. Real talent was shown on Junior Night in the couplet of one-act plays in which Flynn, Sterner, and Norris had leading parts and Shay was a villainious villain. Bux was really good as the orchestra leader.

Sophomores have some outstanding musical talent in their class with Elliott, piano; Creager, drums; and Phillips, singing. They only need to develop a few more to have a good orchestra.

"Freshies" are usually considered a necessary nuisance but this year's freshman class has in Young, Riggs, Meyers, Parrott, Heath, VanGoethem, McManaway, and others a group of girls who will undoubtedly lead the class to better things.

Activities

Annual Staff

In compiling this page of the Mount Marty, we finish a volume to which we hope you will often refer and one which will remind you of happenings and people dear to you. We wish to express our sincere appreciation and gratitude to Mr. Philip R. Keeler who worked so untiringly and to each member of the Mount Marty staff. Staff members were Shirley Maier and George Robison, co-editors; Wayne Tice and Don Coffey, sports editors; Bill Sullivan, picture editor; Barbara Wirth, feature editor; Mary Ellen Rose, class editor; Shirley Murphy, faculty editor; Joanna Shea, music editor; and Evageanne Bearrow, girls sports editor. Assisting editors were Mary Alice Young, Billy Gilles, Lawrence Guy, Betty Lou Scott, John Bagley, and Ruth Ann Gunter.

Bill Sullivan, picture editor, here sets up his camera preparatory to taking some pictures. Assisting Bill with his implements are Mary Ellen Rose and John Bagley.

The co-editors of the annual, Shirley Maier and George Robison, look over a problem that has arisen in Barbara Wirth's copy, and try to assist her.

Lawrence Guy, Betty Lou Scott, and Ruth Ann Gunter smile as they look over their completed pages for the annual.

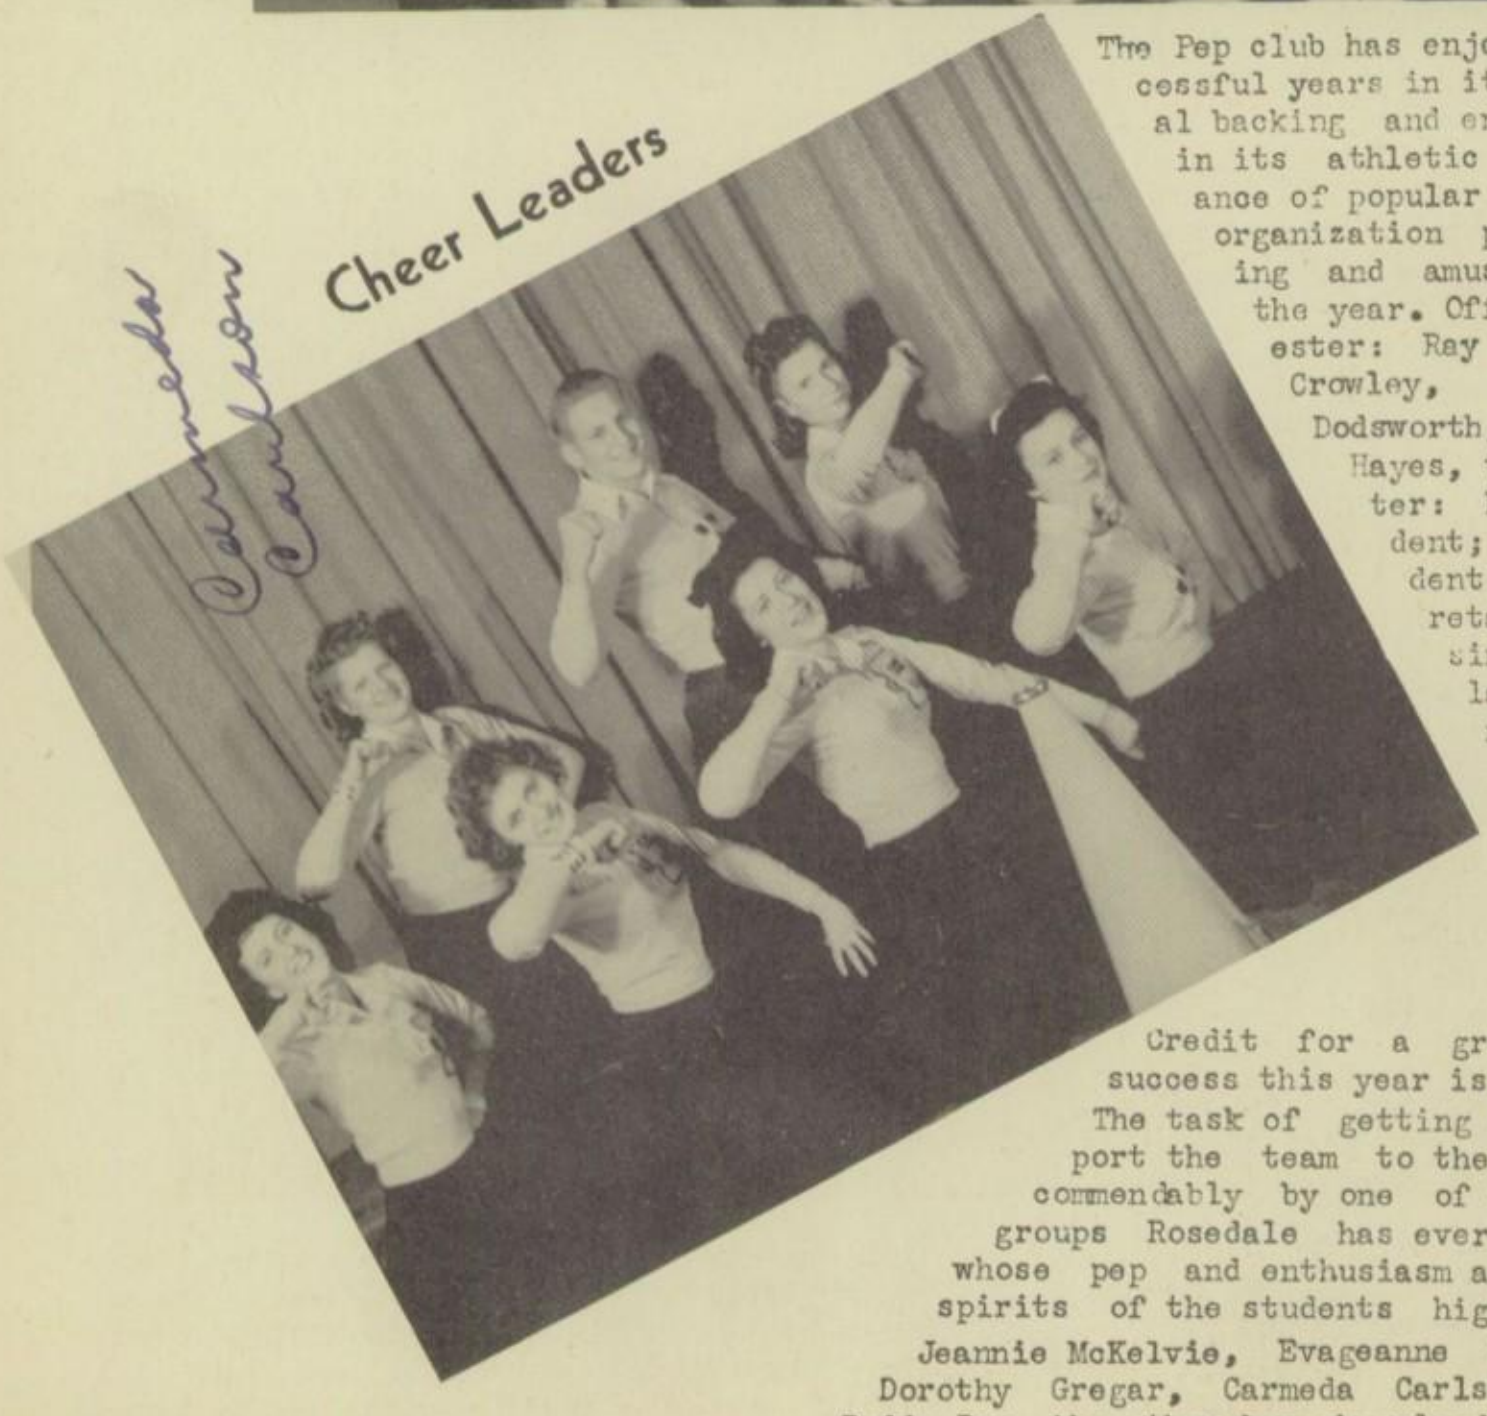
The Rosedalian, school publication, under the supervision of Mr. Philip R. Keeler for the past six years, has advanced by leaps and bounds. During those six years The Rosedalian has grown from a four column to a six column paper, has won national first place rating from Quill and Scroll for five years, and in 1940 was awarded the Quill and Scroll international honor award, the highest honor a high school paper can receive.

Members of this year's staff which kept its fine record are, from left to right: (seated) George Robison, business manager; Billy Gilles, sports editor, second semester; Ruth Ann Gunter, second quarter editor-in-chief; Betty Lou Scott, third quarter editor-in-chief; (standing) Bill Sullivan and Don Coffey, co-sports editors, first semester; Lawrence Guy and Tommy Morris, fourth quarter editors-in-chief. Mary Alice Young, second semester business manager, was absent when this picture was taken.

Being chosen a member of Quill and Scroll, the National High School Journalism Society, marks a distinct honor won only by those who have accomplished superior work in some phase of journalism. The 1942 group of the chapter in Rosedale is composed of two members elected last year, and six newly chosen members.

The two-year members, both seniors, are George Robison and Bill Sullivan. Those chosen by Mr. Philip R. Keeler for the first time are Betty Lou Scott and Ruth Ann Gunter, seniors, and Billy Gilles, Lawrence Guy, and Tommy Morris, juniors. Not appearing in this picture is Don Coffey, senior, who was also a first-year member.

Pep Club



Cheer Leaders

The Pep club has enjoyed one of its more successful years in its task of supplying moral backing and entertainment for Rosedale in its athletic games. Under the guidance of popular Miss Violet Smith, the organization presented many entertaining and amusing programs throughout the year. Officers for the first semester: Ray Mealman, president; Pat Crowley, vice-president; Dorothy Dodsworth, secretary; and Lucille Hayes, treasurer. Second semester: Norma June Hughes, president; Paul Bender, vice-president; Dorothy Dodsworth, secretary; and Richard Hohensinner, treasurer. This latter group inaugurated new rules applying to the club service of all members, rules which will go into effect next fall. They apply to service and attendance.

Credit for a great part of the Pep club success this year is due to the cheerleaders. The task of getting the student body to support the team to the fullest was accomplished commendably by one of the largest cheerleading groups Rosedale has ever had. The cheerleaders whose pep and enthusiasm aided much in keeping the spirits of the students high were Otto Henderson, Jeannie McKelvie, Evageanne Bearrow, Ninfa Sterner, Dorothy Gregar, Carmeda Carlson, and Betty Phillips. Buddy Bux, the other boy cheerleader, was not present when, this picture was taken. This group, as is the Pep club, is directed by Miss Violet Smith.

The Girl Reserves is a nation-wide organization of girls which provides educational value and entertainment for grade school and high school students. The purpose and ambition of these girls is to face life squarely and to find and give the best. The code of the G. R. is what every normal young girl of today should strive to attain.

The senior Girl Reserves, sponsored by Miss Violet Smith, (top picture) have contributed to their country by helping in the tuberculosis drive and by donating to the China war relief fund. They attended the International banquet and also the annual vesper service at the Central Avenue Methodist church, and have had joint meetings with the Hi-Y. With such leaders as Dorothy Dodsworth, president; Larianne Hodkins, vice-president and program chairman; Dorothy Duderstadt, secretary; and Pat Crowley, treasurer; the Mt. Marty Girl Reserves have really shown what they can do.

The junior Girl Reserves, under the sponsorship of Miss Ruby Smith, was organized this year for the first time here. Mary Ellen Lembo, as president the first semester, and Charlene Naschold, president the second semester, have provided their group with meetings on good health, good manners, and other related topics. Some of these girls will join the senior G. R. next year and will have much to add because of their experience in the junior year.

Delphian

Pictured here are the literary-minded Delphians. High spot of their year was their annual presentation on Mother's day. The individual pictures at the top are of Miss Mary Ellis Graham, sponsor, and Marjorie Naschold, first semester president.

Remembered through the years for their splendid work in Rosedale high school dramatics productions will be these talented Thespians. Major change in their activities came with replacing the semi-traditional "Why the Chimes Rang" with Dickens' immortal "Christmas Carol" on their annual Christmas assembly. The individual pictures above are of Miss Edith Youmans, troupe sponsor, and Betty Lou Denney, first semester president.

Thespian

Art In Action

The art classes give students an opportunity to show their ability in this type of work and to model to the entire school some of the outstanding work they have produced during the year.

The group above is working on figure drawing. They are Mary Houston '42, Theda Jones '43, Marcia Kincheloe '43, Earl Stephenson '44, Harry Wigham '44, Grace Crooks '44, Rowland Timberlake '43, Robert Higbee '43, Roy Brown '44, Frank Vance '44, Ruth Teed '43, and Betty Lou Thompson '42.

Marcia Kincheloe does her best work with a brush and paint. Here, she is finishing a poster for the annual family night at RHS. Earl Stephenson excells in all craft work. Leather tooling is his choice here. In all divisions students find ample opportunity for self-expression.

Mary Houston excells in all lines of art work. Here she is finishing a project in clay modeling. Her brother and his dog is the subject. Rowland Timberlake is shown doing metal craft with cooper Mary's work was entered in a competition this spring here in the city.

Bottom Row: Ninfa Sterner, Lois Jean Flynn, Barbara Wirth, Dorothy Gregar, Pat Crowley, Ella JuneMeyer, Mary Puhr, Francis Thelan, Kathleen Marsee, Winona Carpenter.

The Commercial department, under the instruction of Miss Olga Alber is made up of three divisions. First year typing classes are composed largely of personal typing, and the second year group is made up of business typing. In the third year class the students take up an advanced course in typing which includes office procedure. The typing classes have a yearly enrollment of about two hundred pupils.

The Commercial club, whose members are shown above, was organized with the idea in mind of creating additional interest in commercial work, and also of giving the members of the club an opportunity of visiting firms in the community and observing how their secretarial work is carried on. Trips have been made to Hall Brothers and to the A. B. Dick company. The organization celebrated its first birthday this spring.

Hi-Y Club

The Hi-Y group is an organization of students whose high ideals were a constant influence in the every-day school term of 1941-42. Under the faculty sponsorship of Mr. Leo J. Green, the boys conducted regular meetings every two weeks at the homes of the members. At their meetings the group heard prominent speakers and held numerous outside activities. Several social mixers and joint meetings were held during the school year with the Girl Reserves.

Spanish Club

The Spanish club, under the direction of Miss Violet Smith, was one of the most active clubs on the campus. Absorption of a Latin America background is the main objective of the group, and this was accomplished this year in a great Pan American celebration, April 14. Officers were Margaret Emick, president; Dorothy Dodsworth, vice-president; Pat Crowley, secretary; and Marvin Bishop, treasurer.

In the Classrooms

Too often school annuals have presented school life as a combination of football, basketball, pep clubs, plays, and music, with a dignified touch added by the inclusion of the honor societies. Neglected more often than not were those activities without which there would be no high schools--the everyday, six-a-day class periods; the boring, glorious, sleepy, stimulating, ever-demanding sessions of English, mathematics, history and all the rest.

Realizing all this--and wishing to give the classes a place in this Mt. Marty--we took our camera on a tour of classrooms and shops to record their activities for future Rosedalians. Since today greater and greater emphasis is being placed on trades, skills, and manual arts, we have first visited the trades and woodworking classes, but we have tried to poke the camera's nose into as many of the rooms as space permitted. Not all are classroom shots; all picture the everyday life of Rosedale.

Study hall--Place for note-passing, cate-making, catching up on your sleep, reading comic books, and--oh, yes--study! This is fifth hour in 402, with Mr. Bell in charge. The hour accounts for Peters' wan look!

The inner man must be appeased, and here is the noon rush in the cafeteria. Miss Alber, as usual, takes in the money; you can identify those who are "shelling out". A Mt. Marty editor looms in the foreground.

Forge fires flare brightly in the annex basement as students learn how to use the tools of modern industry. Here are taught metal work, welding, and machine operation.

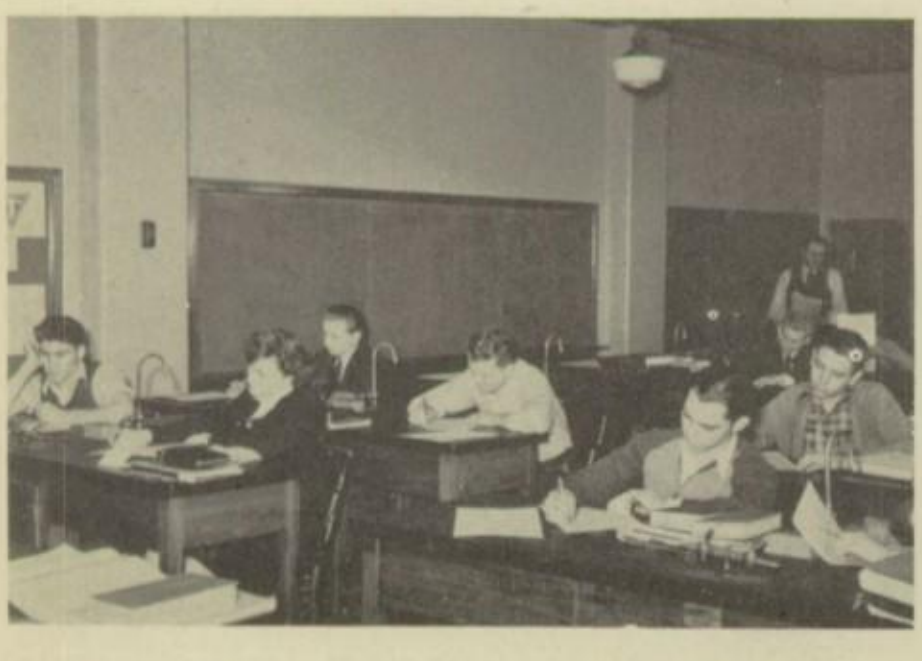
Today draftsmen are in demand, and these Rosedale boys are receiving valuable preliminary training under Mr. Holderman. The room is number 404, Annex.

Not only is this vocational--it's something you'll use all your life. Mr. Crates shows Strobel how to sand a chair in woodworking. Boys in the background are at work on cedar chests.

Typing helps immeasurably in school life, and in addition it is practicable vocationally. And as Miss Alber's classes learn they do practically all the school's secretarial work. This is second hour, beginners.

How to save money, enhance attractiveness, improve spare time, and get a husband all rolled into a course called sewing! Miss Oldham came at mid-year to take Daphayne Smith's place after the latter had married.

They're not fooling! That's good food, and they cooked it themselves! Miss Rose critically supervises preparation of a meal in her junior high cooking class. Notice those aprons and that expectant look!



Backbone of giant industries are physics and chemistry! Here seniors and juniors concentrate on a tough problem while Mr. Taylor looks on from the back of the room.

A real musical organization. The Rosedale orchestra follows the baton of Mr. E. Brown during a practice session in room 403, Annex. They play like veterans already.

Mr. Brown is here only four hours a day, but he still gives the students the basic instruction in General Science and Biology that they need. The room is 106, the class General Science.

Here students get the final polish on their English usage and vocabulary. Here, too, they hear the dulcet tones of Lynn Fontanne, or listen to Maurice Evans' "Hamlet". Miss Graham, English, 205.

This may not look like a classroom, but it is! The band spent many weary hours here learning the routines they are performing above. In spite of a late start the band marched surprisingly well this year.

In the cafeteria the old standbys, Mrs. Morris and Mrs. Leuders, direct Mann, Brown, Gunter, Shankland, Gairadoni, Jones, Delia Gairadoni, Carlson, Von Arb, Morris, Morris, Schwab, Pagley, Lewis, and Dunn in their duties.

Something new in Rosedale this year is this woodworking class for girls! And they're doing fine, too, according to Mr. Crates, although they're a little slower than boys. Melba Brown is even building a boat!

This is really a no man's land--the girls' gym class. Here girls are taught the rudiments of gymnastics, and are given simple exercises which keep them fit. In season softball is the popular sport.

Fifteen seniors received the highest honor which could be conferred upon a high school student when they were chosen members of the Rosedale high school chapter of the National Honor Society. The organization recognizes four cardinal objectives as fundamental in all educational practices: Scholarship, Character, Leadership, and Service. To exalt these objectives and hold them ever before the school as goals toward which all should strive is the purpose of the society. Fifteen percent of the senior class may be chosen by the faculty. Miss Eva Carstensen has for fifteen years been the guiding force behind the continuance of the society.

The members are, back row, KENNETH EHRET, who showed unusual aptitude for science and also excelled in mathematics, was a member of the One club, Student Council, band, and tennis team; HUBERT DOWNS was president of the senior class, and a member of the football, basketball, and track teams as well as the National Athletic Honor Society; MARJORIE NASCHOLD did excellent work as a commercial student and was a member of the One club, Jr. Honor Society, Student Council, and the Commercial club; IDA GRACE RIGGS took parts in various plays and thus gained recognition in dramatics, and in addition she belonged to the One club and Student Council; DOROTHY DODSWORTH was outstanding in commercial work and literature, and was a member of the Student Council, Delphian, Commercial club, and One club; WAYNE TICE was a member of the football team, One club, Delphian, and National Athletic Honor Society; DELIA GAIARDONI was a member of the GAA, One club, and Jr. Honor Society; BETTY LOU TAYLOR chose science and dramatics, and belonged to the One club, Student Council, and Jr. Honor Society; HELEN LARSON was particularly interested in music as well as belonging to the One club, Commercial club, Delphian, and Student Council; NORMA McMAHAN worked in music, and belonged to the One club, Delphian, and orchestra; NORMA HUGHES was outstanding in commercial work and literature, and was a member of the One club, Delphian, and Student Council; MARGARET EMICK was a leader in the field of music and a member of the One club, Delphian, and GAA; BARBARA WIRTH was interested in commercial work and was a member of the One club, Commercial club, and Delphian; ALOIS BRIGGS was a commercial student and active in the One club, Student Council, Commercial club, and GAA; JULIAN DOUTHAT took part in various plays as well as being a member of the One club, band, Student Council, and vice-president of the senior class.

Rosedale High School, Sept. 19-The Rosedale Wildcats tonight battled the Westport Tigers to a 0-0 tie on the Rosedale field. It was a see-saw affair with neither team able to score. Several costly fumbles kept Rosedale from scoring. Fred Smith was outstanding for Rosedale, and Johnny Tangalos for Westport.

Rosedale High School, Sept. 26-The Wildcats tonight handed the Turner Bears a 19-0 shellacking. Rosedale scored in the first, second, and last periods, with Horan and Stutzman doing most of the ball carrying.

Haskell Stadium, Lawrence, Kansas, Oct. 3-The underdog Wildcats tonight came through in a thrill-packed last quarter to win 18-13 from the Lions. Rosedale scored in the first quarter on Crone's long run but in the second period Lawrence scored on a triple pass play and then recovered the kickoff over the Rosedale goal-line for a touchdown. In the third quarter Boatman latteraled to Smith for a Rosedale touchdown. In the final period, trailing by one point, the Wildcats carried the ball 96 yards for a touchdown and the ballgame.

Rosedale High School, Oct. 10-The Wildcats took their second league victory as they whipped the Olathe Eagles, 7-0. The two teams fought evenly in the first quarter but in the second Stutzman plunged from the 4-yard line for the only score and then kicked the extra point.

Amelia Earhart Stadium, Atchison, Kansas Oct. 17-The Rosedale Gridsters came through again, and defeated Atchison 13-12. Atchison scored late in the second period on a series of passes. In the third quarter, after a 53-yard run by Smith, Stutzman plunged through the line for a score. Later, a 30-yard pass, Smith to Donell scored. Atchison's final score came in the last period.

Ward Field, Oct. 24-The Rosedale Wildcats lost to the Ward Cyclones tonight, 6-7, for their first defeat. Both teams scored in the second quarter as Stutzman plunged from the four, and Doolittle, for Ward, sprinted 55 yards for six points, then drop-kicked the winning point. Downs and Stutzman were outstanding for Rosedale and Doolittle for Ward.

Bulletin--Oct. 31-The Rosedale-Shawnee football game has been postponed until Nov. 20. Cause: rain and wet grounds.

Leavenworth, Kansas. Nov. 6-The Wildcats tonight lost their tie for first place with Shawnee Mission, when they were tied by the Leavenworth Pioneers in a 6-6 game. The Pioneers scored in the second quarter on a 30-yard pass. In the same period Horan caught a Pioneer punt on the 35-yard line and with good blocking, carried the ball right through the entire Leavenworth team for a score.

Rosedale High School. Nov. 14-Rosedale tonight delivered a 20-13 defeat to the Argentine Mustangs. The Mustangs scored in the first quarter, but the Rosedalians turned on the power and scored twice in the second period, once on an 80-yard drive and again after intercepting a pass. In the third period Stutzman scored for Rosedale and Green for Argentine. Shawnee Mission beat Leavenworth tonight, so Thursday's game between Rosedale and Shawnee will decide the NEK championship.

Rosedale Stadium, Nov. 20-The Rosedale Wildcats today played the Shawnee Mission Indians to a halt in a battle that will long be remembered. However, the 6-6 tie gave the Indians undisputed first place in the Northeast Kansas League. In the second period the Indians scored on a pass from Mitchum to Maloney. The Wildcats scored in the third quarter after a 71-yard drive in seventeen ground plays, mainly carried by Frank Stutzman, Rosedale's plunging fullback. The attempted conversion was blocked and a record crowd of 5,000 saw the game end in a 6-6 tie.

The Rosedale Wildcats, underdogs the whole season, had missed first place by a half game.

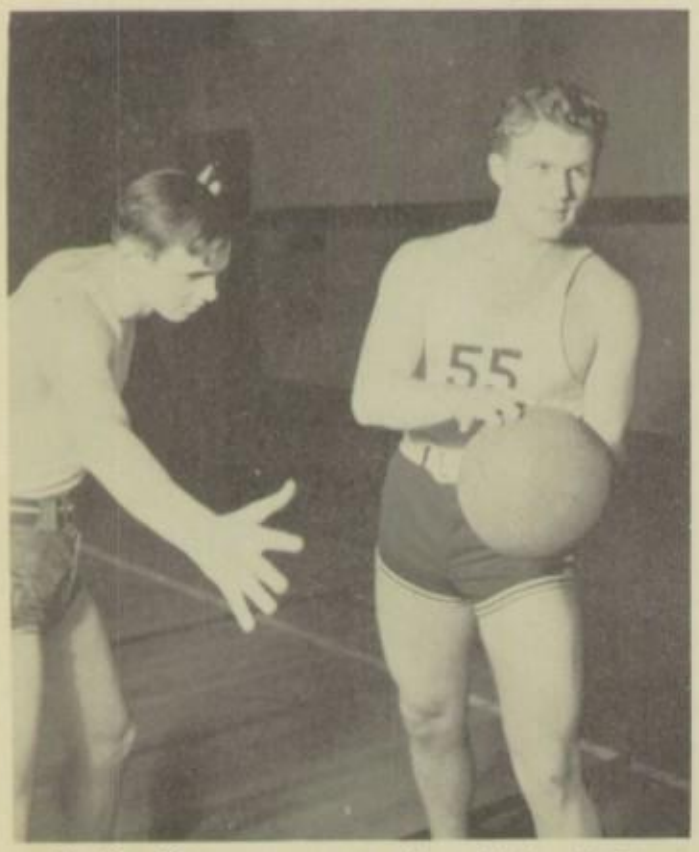
WILDCATS WIN SECOND IN LEAGUE

By winning eleven out of seventeen games and capturing second place in the Northeast Kansas league standings, the Wildcats made Coach Oscar Richards first year as head coach a complete success.

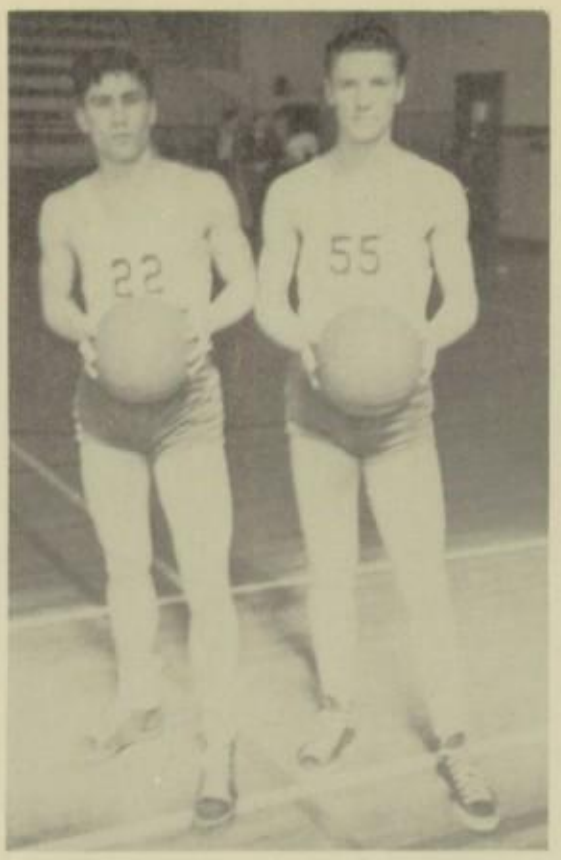
The Wildcats started the season in reverse as they fell before the onslaughts of the Southwest Indians of K.C., Missouri, 25-24. Rosedale led up to the fourth quarter, but a desperate rally brought victory to the Missouri school. The game was played on the home floor.

Coming from behind the Wildcats won their second game from Southeast on the Armory court, 36-31. Bob Andrews led the green and white attack with seventeen points.

Rosedale opened the league season with a 20-19 victory over Lawrence after starving off a late rally. On the following night Shawnee Mission proved to be too much for the Wildcats, and won by a 30-18 score. Bob Andrews again led the attack in both of these games.



Rody Tierney guards Hubert Downs in a practice session. Tierney was a forward and Downs a guard. Both are seniors and will be missed next year.



Co-captains of the basketball team were Bob Andrews, left, and Jim Crone. Crone is a senior, Andrews a junior.

The Wildcats added two more league victories on the following week end by defeating Atchison, 32-26, and Argentine, 38-33. Bob Andrews again led the team, scoring twenty points against Argentine.

Lack of height proved too much for the Wildcats as they dropped their second league game of the season to Leavenworth, 30-22.

Rosedale pulled a surprise upset over the Ward Cyclones. Bill Peters, junior guard, and Andrews paced the team with eight and ten points. The final score was Rosedale 23, Ward 18.

Rosedale journeyed to Olathe to win a league game from the Eagles, 27-23. Andrews scored five goals and Bud Preston and Jimmy Crone each added three goals.

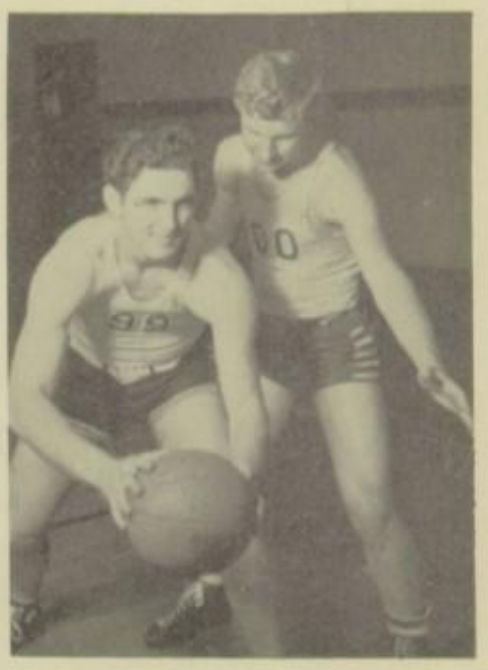
Playing without the aid of Bob Andrews, who had sprained his ankle, the Rosedale team put up a gallant battle as they lost to the league leading Shawnee Mission team, 20-17 Jimmy Crone played his last game of the season for the Wildcats and turned in a stellar defensive game.

Crone became ineligible for high school competition because of the age limit.

The Wildcats lost their second league game in a row when the Atchison Redmen upset them by a score of 29 to 28, but Rosedale broke its losing streak with a 34-26 victory over Argentine. Bud Preston played the best game of his career as he led the team to victory with thirteen points.

Second team coach Art Lawrence congratulates Coach Oscar Richards upon his fine record.

Bob Andrews aims a long shot on the home court in a game with Argentine, while George Todd, 44, and Billy Gilles, 88, look on.



Ed Preston, senior center, is being closely guarded by Bill Peters, 00. Both were regular starters.

TAKE OVER SECOND PLACE

After the Argentine game the Wildcats found themselves resting a half game out of second place behind Leavenworth, and a half game ahead of the fourth place Argentine team. On Friday the thirteenth Rosedale fought the Leavenworth Pioneers to a 29-26 submission and took over second place. This victory was even more remarkable in the fact that three of Rosedale's regulars were forced out of the game on fouls, and it was the substitutes who carried the team on to win. George Todd and Andrews provided the offensive, while Hubert Downs turned in a good defensive performance.

On the following night Rosedale met its city rival Ward. The shooting of Jack Fagan, Ward forward, was too much for the Wildcats as they went down to a 26-22 defeat.

In the only overtime game of the year Rosedale beat Washington Rural, 35-30, in a non-league game. The score at the end of the regular playing time was 30-all. Andrews kept up his scoring pace with a total of fourteen points.

Rosedale defeated Olathe in a wild scoring game, 45-38. This was the best offensive game of the year for the Wildcats, and it developed into an individual scoring duel between Bob Standefer, Olathe center, and Bob Andrews, with Standefer coming out the winner with twenty-two points; Andrews made seventeen. Billy Gilles and Billy Harper also contributed heavily to the Wildcat offensive.

In the final game of the season Rosedale defeated Lawrence in another high-scoring game, 41-33. This win cinched the runner-up laurels for the Wildcats. Andrews scored seventeen points and Bill Peters added thirteen more to pace the team.

Rosedale entered the regional tournament at Leavenworth and unfortunately drew the powerful Wyandotte Bulldogs as an opponent. The Wildcats were definitely off form, losing 26 to 43. Andrews captured individual scoring honors with eleven points.

ANDREWS CHOSEN ON ALL*STARS

Bob Andrews, junior forward and co-captain, was chosen on the Kansas City all-star team. He was the leading scorer of the group and was unanimously named captain. Andrews was also selected captain of the Rosedalian's NEK all-star team. Bill Peters was named on the Rosedalian's second team, while Bud Preston and Jimmy Crone received honorable mention.

Nelson Dickerson, left, and Glenn Brown were two junior squad members who gave promise of big things next year.

The Rosedale second team had a fairly successful season, winning 9 games and losing 8. Prospects for next year's team are good and Coach Art Lawrence is hoping to better his record of this year.

The leading scorer of the team was Charles Serslev with 89 points; George Todd had 58, Glenn Brown 57, David Larson and Lynn Winslow 50, Billy Gilles and Nelson Dickerson 48, Bob Yates 37, Bob Hartman and Howard Beal 23, Bill Roberts 15, Louis Yonley 6, and Bob Tierney 5.

The junior high team had an unsuccessful season, winning only 3 games out of 10.

Lettermen are Glen Tomlinson, Arthur Johnson, Lester Minturn, Manual Mejia, Bill Tierney, Lewis Roberts, Earl Smith, and George Gunter.

Four boys who saw much action during the season were (left to right) Billy Gilles, guard, George Todd, forward, Bobby Yates, guard, and Billy Harper, forward. All of them are juniors.

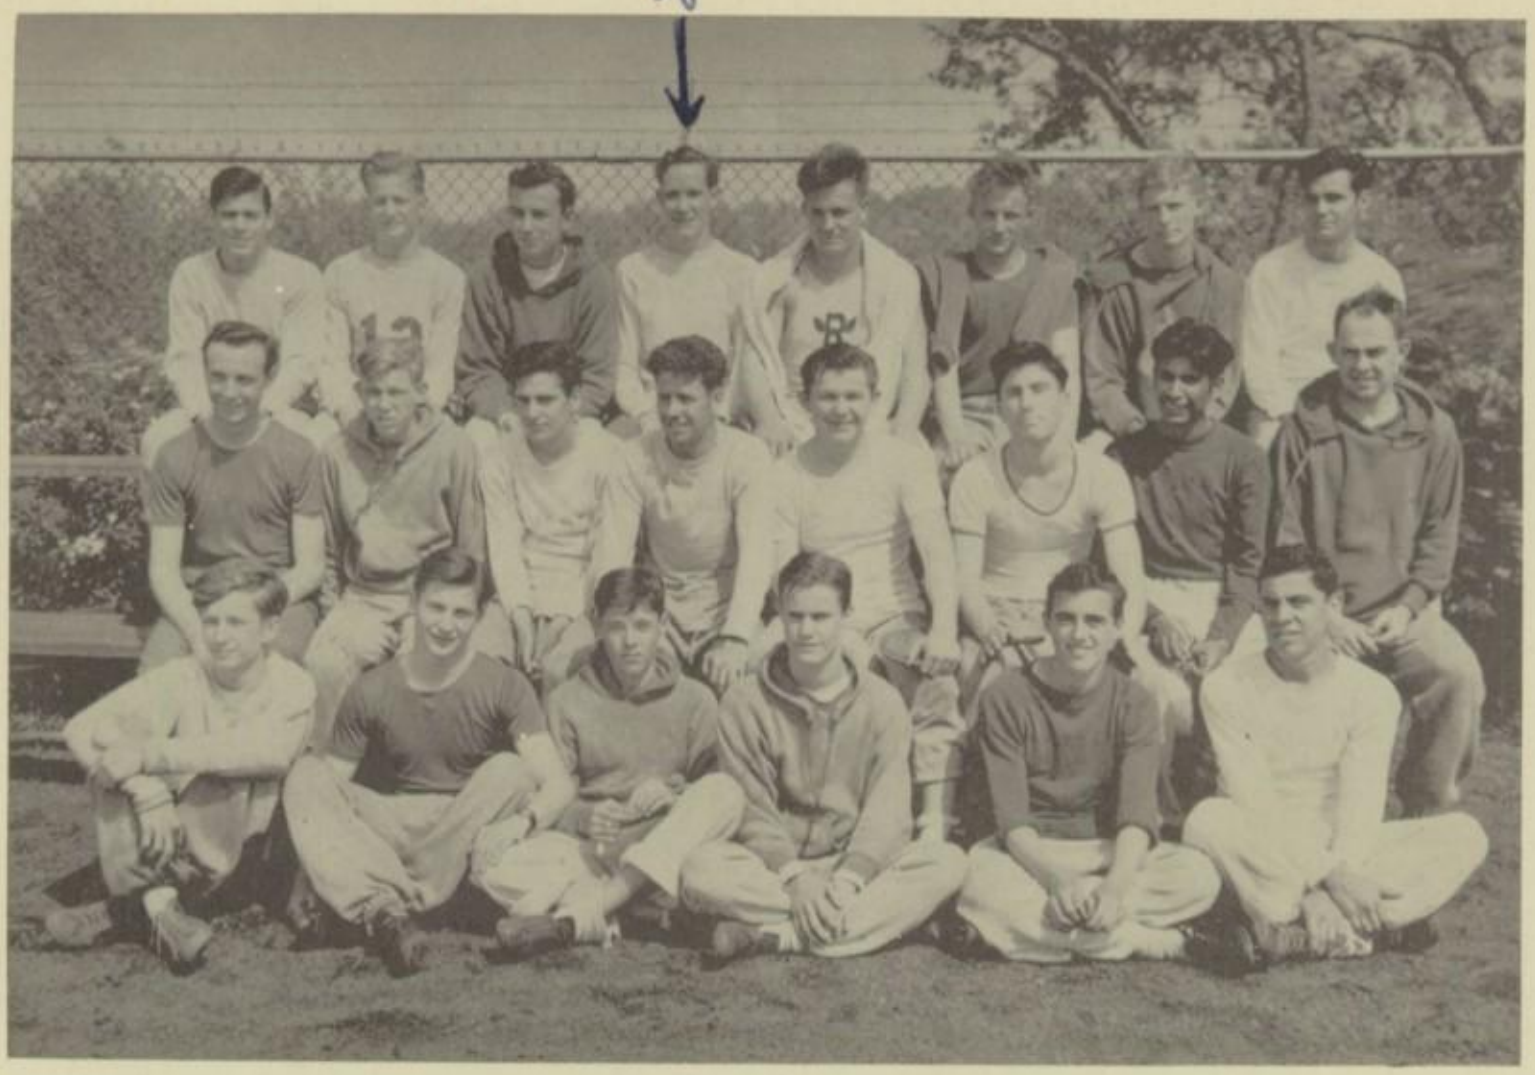
Track



Although this year's track team was not powerful as a whole, it did have several of the best individual performers in the school's history. The team captured only one meet victory and placed sixth in the annual Northeast Kansas league track and field carnival.

In the NEK meet Rosedale scored 18 points, 11½ behind the fifth place Shawnee Mission team. Atchison, the host team, won, with Leavenworth second, Argentine third, Lawrence fourth and Olathe last. The Rosedale points were made by Bob Andrews, who won the pole vault and placed fourth in the high hurdles; Celso Flores, who took the mile run; Frank Stutzman, with a second in the shot put and a fifth place in the discus; and Bob Hartman's fourth in the 440-yd. dash.

Andrews and Flores were elected honorary captains of the team shortly after the NEK meet. Both boys are juniors and will be back to form the nucleus of next year's team.

SIX POINTS AT K. U. RELAYS

Andrews and Flores brought home honors to Rosedale when they took two third places in their events. This was the first time in the school's history that the Rosedale team has scored over one point in this meet. (George Rhoades was fifth in the 440 in 1940).

The trackmen started the season with the annual interclass meet, which the junior class won with ease. In the first regular meet of the season, which was the quadrangular city match, the Wildcat tracksters finished third with a total of 31 3/4 points.

Rosedale finished third in another quadrangular affair on the Shawnee Mission track. In the first home meet with North Kansas City and Olathe Billy Harper, hurdler, and Bob Andrews, were high point men. North Kansas City won.

FIRST TRACK VICTORY

The Rosedale trackmen won their first victory on their own track with a 67½ point total over Bonner Springs with 62, and Washington Rural with 25½. Frank Stutzman was outstanding.

Some of the boys who scored in their events were Carl Gunter, Dan Ritter, Sherman Eichenberg and Bob Yates, high jumpers; Billy Harper and Charles Serslev, hurdlers; Maurice Jacobs, David Larson, Keith Hughes, Manuel Mejia, and Billy Gilles, dashmen; Bob Boatman, shot putter; Julius Turner and David Houston, quarter milers; Dean Anderson and Lynn Winslow, pole vaulters; Lewis Carter and Turner, half milers.

FOUR BOYS TO REGIONALS

Four boys attended the regional meet at Leavenworth. They were Bob Andrews, Frank Stutzman, Bob Hartman, and Celso Flores. Those who placed third or better in their events in the meet went on to the state meet at Wichita.

The junior high track team under Coach Oscar Richards showed signs of having some real stars for future teams. Standouts were Charles Teegarden, Don White, Richard Enright, Eugene Shelsey, George Gunter, Clovis Rice, Neal Hervey, Earl Smith, and Lewis Roberts. Gunter also shows good form in the high jump.

Golf

Rosedale's 1942 golf team gives great promise for the future, with only one senior on the team. Bob Horan will be the only one lost through graduation, while Peters, Todd, and Brown are juniors, and Gilmore a sophomore. In the picture above, reading from left to right, are Coach E. W. Crates, Bob Horan, George Todd, Glenn Brown, Bill Peters, and Billy Gilmore.

Under the leadership of a new coach, E. W. Crates, who replaced Roscoe Brown, the 1942 Rosedale golf team had a successful season.

Three members of the team were juniors and will be back next year to form the nucleus of next year's team, which will have championship possibilities. These juniors are Glenn Brown, Bill Peters, and George Todd; Brown and Peters are second year lettermen. Billy Gilmore, a sophomore who earned his first golf letter this year, will also be available for next year's team.

Of the five lettermen only Bob Horan will be lost through graduation. This was Horan's third year on the golf team, and he will be missed next year.

In their first meet of the year the Wildcats got off to a bad start when they finished last in a quadrangular meet with Argentine, Wyandotte, and Shawnee Mission. Wyandotte won the event with a score of 325, while Rosedale was far behind with 346 strokes. Glenn Brown was low man for the Wildcats with an 81 total for the 18-hole course.

Rosedale golfers finished third in a five-team match on the Victory Hills course in their second meet of the season. The Wildcat aggregation had a total of 339 strokes, 12 strokes behind the winning Wyandotte team. The Rosedale scores were Brown, 80; Peters, 82; Gilmore, 88; and Todd, 89.

The Wildcats won their initial victory in a triangular match on the Old Mission course with a 325 total in competition with Bonner Springs and Center high of Kansas City, Missouri. Bonner scored a 344 total, and Center 385. Bill Peters was medalist with a sizzling 75. George Todd was second low for the Cats when he shot an 80.

Rosedale annexed its second victory when they won a dual match with Shawnee Mission, 328 to 337. George Todd led the way by shooting a three-over-par 75.

The Wildcat foursome lived up to previous predictions when they finished high in the standings of the annual Northeast Kansas league tournament, which was played in three rounds. The competition began April 25 on the Old Mission course with 18 holes of play, transferred to Quivira Lakes for the second 18 on May 2, and was concluded with a final 18 holes on the Leavenworth Country Club course on May 9. In the first round Shawnee Mission carded a combined total of 333 to lead the teams, while Rosedale and Argentine were in a tie for second place with 337 each. Brown was low for Rosedale with an 81.

Senior G. A. A.

The four top pictures on this page give you some idea of the activities of the senior GAA. This activity, sponsored by Miss Dorothy Noll, is designed to encourage girls to enter actively into athletics. Above is shown only a small part of the tumbling team which has played an active part in the organization. In the second picture the baseball team, which met every Tuesday afternoon during the warm weather, poses.

Posed with their shuffleboard sticks the girls above seem eager to start this popular indoor game. But not slighted by the milder sports is basketball (second picture, second row) which is still popular with the girls.

Shown in the pictures above are Sterner, Stults, Wilson, Gillespie, Hayes, Gariardoni, Dean, Crowley, Carlson, Byerley, Peete, Hobbs, Knight, Shankland, Gregar.

Junior G. A. A.

The two pictures above show the large number of girls who participated in Junior GAA, which is also sponsored by Miss Noll. These groups met Thursday after school. Their favorite sport was volleyball.

In past years the highlight of the GAA year has been the trip of the upperclass girls to the annual Play Day in Lawrence. The event was not attended this year because of war conditions and transportation difficulties.

FAMILY NIGHT

Dramatics

Senior Play

"Lavender and Old Lace"

Presented by Senior Class

With ten Rosedale senior dramatists spending countless hours after school under the direction of Miss Edith Youmans, the senior class play proved to be one of the most successful productions the class of '42 has ever had the pleasure of presenting. The three-act play was presented December 5 in the Rosedale auditorium. Betty Lou Denney and Julian Douthat held the leads. Denney portrayed Mary Ainslie, who had become a tradition in the quaint New England town where she centered her life around lavender flowers and her rare old lace. Carl Winfield, a young newspaper man, played by Douthat, comes to this small town to rest. Due to an accident he becomes blind and Mary Ainslie takes care of him and from this interesting beginning hangs the plot. Other supporting members were Otto Henderson, who portrayed Doc Patterson, who has been in love with Mary Ainslie for years. Ruth, played by Ida Grace Riggs, is an orphan and her friend is Bernice, acted by Margaret Emick. Hepsey, a dull witted servant of Jane Hathaway, is acted by Betty Thompson. Jack, portrayed by Lee Fields, is an admirer of Hepsey. Jane Hathaway, played by Marguerite Crowley, is a very dominating person whose husband, James, is portrayed by Earnest Scholdberg, a meek person who obeys his wife's every command, Sophronie Trotter, the town gossip, is played by Norma June Hughes. Assisting Miss Youmans in the direction of the play was Betty Lou Taylor. Stage preparations and properties were under the direction of Miss Mary Ellis Graham.

Ida Grace Riggs and Julian Douthat as Ruth and Carl in the production supplied the romantic interest in the play. Both were excellent in their parts.

Equally as good were Betty Lou Denney and Otto Henderson with their superlative acting which made the play a success.

Junior Night Program

Extremely successful this year was the Junior Night program which was presented February 22 in the Rosedale auditorium. The program consisted of two plays, a very fine orchestra directed by Richard Bux, and composed of Walter Creager, Lee Fields, John Elliott, Victor Smith, Manuel Mejia, Gene Moore, Betty Douthat, Dona Neilson, Marvelle Peery, Marvin Bishop, and Otto Henderson. Featured vocalists were Ava Jo Gillespie and Helen Seymour. Another fine feature of the evening festivities was a quartet composed of Richard Hohensinner, E. D. Sexton, Walter Bruce, Owen Bliss, and accompanied on the piano by Pat Crowley. The first play presented was "Yellow Roses" composed of a more or less experienced cast which proved to be as good as the second play, "He

Ain't Done Right By Nell", led by Tom Shay and Merlyn Norris, both being familiar to Rosedale audiences. Arlene Johnson, Larry Kennedy, Lois Jean Flynn, and Carmeda Carlson were the newcomers in the field of acting and performed beautifully in "The Yellow Roses". Ninfa Sterner was a comparative newcomer as the heroine in the "mellerdrammer", "He Ain't Done Right By Nell, yet her performance was all but the best of the evening. Other supporting members in the "mellerdrammer" were Ruth Teed, Jeannette Shellack, Marianne Hodkind, and Jack Munze. Lawrence Guy performed well as announcer, and also worked as applause leader in the second play. The property managers of the plays were Dorothy Thompson and Winona Carpenter.

Dramatics Class Play

This space was to have been occupied by the pictures and names of the cast of the dramatics class play.

Due, however, to the press of circumstances and the crowding of events it became necessary for Miss Edith Youmans, who ordinarily sponsors this play, to postpone it until next fall, when it will be given the presentation it would ordinarily have had this spring.

Taking the place of the dramatics play as a means of giving the dramatics students an opportunity to appear on the stage were two one-act plays, each with entirely separate casts. These plays were given on May 13 as an afternoon matinee, and were attended largely by students.

Heading the cast of "Never Trust A Man," the first of the presentations, was Lucille Hayes, '43, in the part of Betty, the sister. Leads in the other production, "Elmer", were taken by Larry Kennedy, Jean Goodspeed, and Joan Goodspeed. "Elmer" told of the troubles of a fourteen year-old boy.

Others in the cast of "Never Trust A Man" included Ellen May Byard as Emily; Evelyn Jones as Rose; Evageanne Bearrow as Sally; Marie Wiley as Aunt Hattie; and Paula Unger as Lucretia.

Assisting in "Elmer" were Winona Carpenter as Susan Collier; Jean Goodspeed as Jeannie Collier; June Goodspeed as Janie Collier; Dorothy Fautch as Fannie Belle; John Murphy as Hubert Brown; Eugene Musick as Russell Jameson. Elmer's dog, Pansy, also had an important part in the proceedings.

Originally chosen for this spring, and now to be presented next fall, will be the three-act play, "Incognito". Students originally chosen for this cast were Ninfa Sterner, Lucille Hayes, Larry Kennedy, Tom Shay, Merlyn Norris, Lois Jean Flynn, Carmeda Carlson, Jeannette Shellack, Eleanor Roth, Ellen May Byard, Evageanne Bearrow, John Murphy, Ernest Scholdberg, Marguerite Crowley, Betty Lou Taylor, Marie Wiley, Bill Umphrey, Jean Goodspeed, Edith Hagan, and Lawrence Guy.

The Operetta

"C A M P U S D A Z E"
A Three Act Operetta

The leads in the operetta cast are shown above as they were snapped in a scene of this college comedy. Reading from left to right they include Ava Jo Gillespie as a beauty parlor operator; William Bruce as Tommy; Bettye Phillips as "spitfire" Bobbie; Helen Larson in one of the lead roles; Leroy Fields as Spencer, the rich man's son. Kneeling in front of Larson is E. D. Sexton as happy-go-lucky Fred, while in the back row are Charles Lewis as Hiram Goodnow, Spencer's father; Owen Bliss as Pork; and Evelyn Jones as Ma Jenkins, the keeper of the boarding house.

The school orchestra furnished the musical accompaniment for the production, which was under the direction of Mrs. Sarah Howard.

Speciality acts were furnished by Joanne Shea, Bettye Phillips, and Betty Postelwaite, the latter from Wyandotte.

It should be apparent to everyone from this picture that Carrie (Larson '42). and Spencer (Field '42), have made up. As a matter of fact Carrie didn't find it particularly difficult to do. Field added an unusual touch to the production when he played a guitar accompaniment to one of the chorus numbers.

Tommy (Bruce '43), and Bobbie(Phillips, '44), here have decided to go on fighting through life together as a happily married couple. Bobbie has given Tommy considerable trouble throughout the operetta by her "madcap" activities. Here they pose before a bird bath in the college garden.
A Three Act Operetta

Science Club

Starting their second year in the field of science, the Science club, under the direction of Mr. Walter Taylor, has accomplished a great deal. The Physical Science conference, held at Lawrence,Kansas, in the University of Kansas, March 21, which the whole club attended, was the highlight of the year. The club held many excursions this year, one of these being a visit to the Bell Memorial hospital. The officers were Dick Mann, president; Arthur Jewell, vice-president; Betty Taylor, secretary; Kenneth Ehret, treasurer. The club combined monthly meetings and after-school lab periods to provide an interesting program for the students.

Pep Club

The Pep club this year,besides providing moral backing for the school,also supplied many extra entertaining activities and projects. The annual Pep club dance was a success and was one of the major activities of the group. One of the highlights of the football season was the election of Evageanne Bearrow as football queen for the 1941-42 season. Something new which was added during the basketball season was a check room operated by the Pep club which accomodated the fans. Also inaugurated this year was a point system for checking club activities.

Done to a swell
friend. Margaret.

MARGARET WATKINS

Margaret has been a member of the band for six years and head drum major for four years. Among the most important of many contests she has won are:first place in the state contest in 1940 and 1941; first in the middle states contest in 1940 and 1941; and first in the southern states contest in '41. During the Food Fair in 1941, she received $15.00 for twirling three minutes.

MAJORETTES

The majorettes are Alice Jean Atwell, Sophomore, Betty Stumpf,eighth grader, Marguerite Reiter, Sophomore and Juanita Riggs, freshman. They have performed very creditably at football and basketball games.

Your pal
Juanita Riggs
"Punky"

Much work and little credit goes to this organization directed by Mr. Everett Brown. They played at all football games and for basketball and found time also to march in the American Royal parade, attend the K. U.-M. U. Homecoming game at Lawrence, take an active part in pep assemblies, and present a concert March 13. In all activities they have given willingly of their time. Officers are Helen Ruth Carter, president; Dick Mann, vice-president; and Walter Creager, secretary-treasurer.

The orchestra has been Rosedale's outstanding musical group this year. Made up of over 60 musicians from junior high classes on they exhibited professional talent in their annual concert in April. They too are under the direction of Mr. Everett Brown.

John Elliott heads the group, and Helen McMahan has first chair in the first violins, Hildegarde Scherer in the second violins, Robert Stewart in the cellos, and Elberta Meyer in the violas. The musicians have played for PTA meetings, assembly programs, plays, and for the annual operetta given by the vocal classes.

Mixed Chorus

For the first time in the history of Rosedale high school a senior mixed chorus was organized this year. This has enabled the group to do many more mixed chorus numbers and the quality of its work is much improved.

The group has participated in many outside engagements, and its work has been greatly appreciated. School activities include a Family Night program, an operetta, senior high commencement, and a PTA program.

Second Hour Chorus

The Junior Mixed Chorus is composed of boys and girls from the eighth and ninth grades. The chorus is mainly preparatory work. Their activities aside from regular school work consists of Family Night program,operetta,and the junior high graduation. Bottom row, l. to r.: Mrs. Howard,Hayward,Jones, Blackmore, Arnold, Parrish; second row: Lindley, LeVeta Hill, Palmer, Turney, Smith, Schwinger; third row: Bentley,Beagle, Hanners, Lunn, Payne, Kreiling.

"And In Closing"

Royalty enters our realms! Pictured here are Otto Henderson and Evageanne Bearrow who, in our opinion, best represent Rosedale royalty. Bearrow, in addition to having been chosen queen of the Rosedale-Shawnee Mission football game has been a member of the Rosedalian staff and an active member of the Pep Club. Henderson has participated in numerous dramatic productions and has been active in the Pep Club. Both have many other credits. In the picture at the left the admirers of His Majesty are Lois Jean Flynn, Mary Alice Young, Pat Crowley, Mary Ellen Rose, Her Majesty, and Jeanne McKelvie. In the picture at the right Her Majesty's attendants are Mary Lou Jones and Carmeda Carlson.

As long as there are going to be a king and queen--Here you see the knave, Bill Sullivan, and his faithful steed. June Pilley, the gal who kept the boys coming to school, has been chosen as princess. Mr. Everett Brown, band and orchestra leader, will do for the fiddlers three!

Suddenly with very little warning came the decision to have compulsory first aid classes. That sudden decision was characteristic of the whole war--the declaration of war on Germany by Britain and France in 1939, the taking of France by the Nazis, the Axis war against Russia, Japan's attack on Pearl Harbor, United States entering into the war--and it was ocused by the war. So Rosedale immediately started classes under the direction of Mr. Green and Miss Dorothy Noll. Miss Edna Crittenden did her part, too. Here's the sixth hour class in act'cn.

Although the two students at the right might be practicing first aid they are actually doing a scene from the senior play. They are Betty Denney and Otto Henderson. (Where have we heard that last name before?) At the right is Miss Edna Crittenden, who did her bit in the instruction of first aid classes. With her is an assistant and a very brave Dorothy Thompson.

Left: Here are two nasty little boys who look as if they might be needing first aid within a very short time. Co-editors for the last four issues, juniors Lawrence Guy and Tommy Morris scrapped continuously. Right: What is giving Bob Margrave "that" look? Maybe it's Japs, or maybe it's touchdown the team is making.

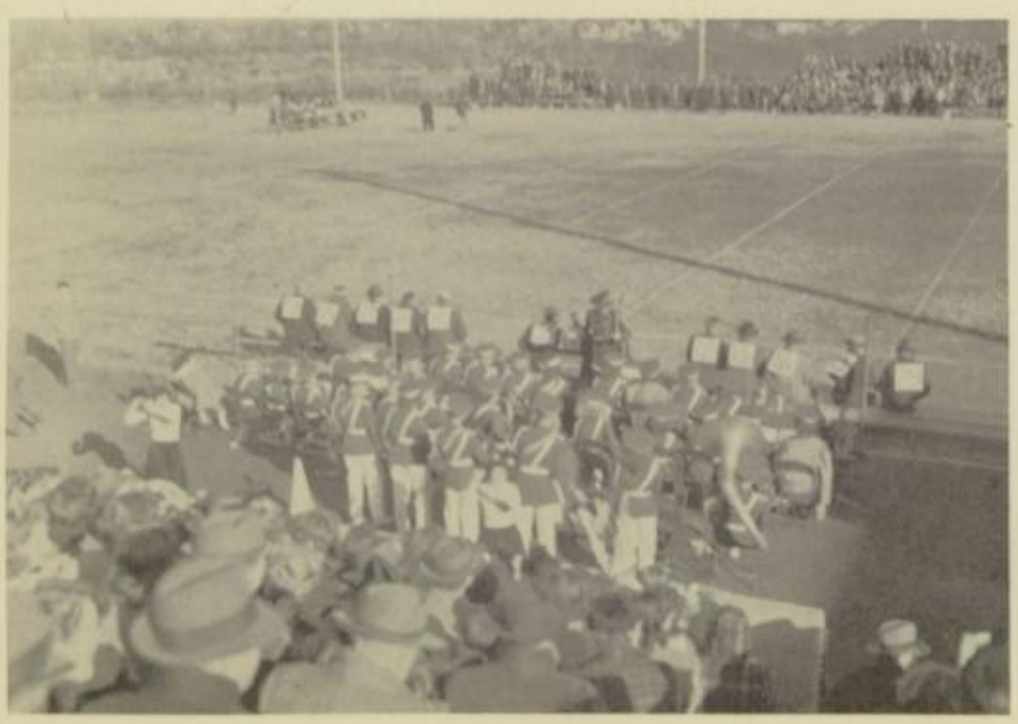
THOSE WHO SERVE!

Upper right: "Is your card out?" is a familiar query from the sweet-looking, sweet librarians, Miss Ann Anderson (at right,) and Miss Laura Jean Erickson (at left.) Upper left; "May I have your absentee slip?" Here are the smiling, the busy, the know-it-alls, the office girls--Mr. Bentley's little helpers who help keep the office running smoothly. From left to right are Mary Lou Jones, Shirley Maier, Mary Ellen Rose, Alois Briggs, Ella June Meyer, and Margaret Guthrie. Left center: "Good morning students." Each school morning for the past year Betty Lou Taylor and Merlyn Norris have presented to us the announcements for the day. Lower left: "Are you tardy again?" Glamour! Amour--(What are we saying?) (off the record!) Sophistication! An actress in our midst! In other words, Miss June Pilley, office secretary. Lower right: "High, there!" Here are the students' pals, the custodians, known to their friends only by their numerous nicknames.



"And In Closing"

Upper right: Here again are our cover heroes. Pacing the halls under the light (or is it a halo?) are Julian Douthat, the soldier, Hubert Downs, and Rody Tierney. Upper left: Still on the warpath after Pioneer Day are Norman Munze, Eugene Dellinger, and Jack Munze. The major part of that celebration was the awarding of cash prizes to the three students wearing the most authentic pioneer dress. Paula Unger '42, appearing as Carrie Nation in a costume which actually belonged to that historic person, won first prize of $2. Evelyn Jones '42, and Ovena Lange '46, placed second and third, respectively. The dramatics class presented a pageant. Left center: Let it not be said that Rosedale did not do its part to help out whenever needed. Already busy seniors Denney, Douthat, Taylor, Hughes, Henderson, and Young spoke over radio station KMBC on crime this year. Lower left: A memory imprinted on the minds of those who witnessed it is the unforgettable Rosedale-Shawnee Mission football game when two major high school teams fought for the league championship.

With a vocabulary second only to that of Miss Mary Ellis Graham, (he thinks) Harry Wigham, here reading a Webster's Advanced dictionary, runs around frightening people. (According to him he also knows French quite well.) Well, next year, Master Wigham, you will have Miss Graham for English, and we shall see what we shall see---------!

Another staff which helps to keep the school running is the cafeteria staff of Carmeda Carlson, Delia Gaiardoni, Miss Olga Alber,and Katherine Von Arb.

Below are students who are now freshmen at Rosedale. Their positions are too irregular to enumerate them, but you will no doubt recognize most of them.

Choking? No, Ida Grace Riggs and Betty Thompson are known around Rosedale high school as the eternal harmonizers.
